

Hello HERD families,

“Unity is strength...when there is teamwork and collaboration, wonderful things can be achieved” (Mattie Stepanek). As we start a new year at Buffalo Ridge, this idea has been in full swing. Our commitment to “TEAM” has been visible in our energy, actions, and support of one another. The staff has been dedicated to uplifting and developing systems to support each child, and our community has come together to engage in Meet and Greet, Back-to-School night, and our School Carnival, all in support of our HERD. It’s hard to articulate the pride felt

on a night like our Back to School Carnival when so many people joined to benefit our school community. It was electric and humbling. Thank you.

For the 2022-23 school year, our staff at Buffalo Ridge will focus our efforts on building a solid TEAM by cultivating relationships and collaboration to deliver strong programming. We are excited about the new positions of a full-time GT facilitator, full-time Interventionist, and an additional ELD specialist who will be valuable contributors to our TEAM as we continue to foster our mission of empowering each student to reach their highest potential.

We know that it takes time and patience to ensure the smooth delivery of specific systems at the beginning of every school year. Thank you for your continued grace and acknowledgment of this challenge, particularly our drop-off and pick-up procedures. We appreciate your partnership and understanding as we carry out safety protocols that promote a safe campus for all students to thrive.

As we move forward, we encourage your continued engagement and support because, as a TEAM, we will continue to accomplish great things for our BRE community! We love you and our great HERD!

With appreciation,

A handwritten signature in black ink, appearing to read "Jen & Kerri-Lynn". The signature is fluid and cursive, with the names connected together.

Jen & Kerri-Lynn
